Dear XXXTREME: I have a few ideas for pictures for ya that are all really great. They give me boners just thinking about them, so if you take my advice and make photos of the images I have in my mind then all you other readers will have boners as well. I promise! What I am thinking is this, you really need to do more shoots involving strap-on dildos. I want to see porn bitches strapping it on and fucking the bejeezus outta each other in every position imaginable. I'm telling ya right now, it will be a big hit. Specifically I'd like to see my favorite porn bitch of all time, Sasha Grey, strap on a stiffy and fuck each and every lucky bitch that gets in her way. Hell, if

JESSI PALMER

Sasha is wearing one I'll get in line and bend over myself. She is one hot bitch and she sure likes to have her way with other bitches. I like that in a woman. I suspect that a lot of these porn bitches have that exact same attitude and would be more than willing to strap one on and fuck for the sake of photography and pornography and boners everywhere. Just ask them, I'm telling ya.—Larry in NJ via email

Dear FOX XXXTREME: I recall about a year ago an issue you put out with some photos of a very lovely young lady by the name of Rebecca Linares. My god but if she wasn't the most beautiful girl I have every laid eyes on in my entire life. Whatever happened to her? Is she still involved in the adult industry? Could you please get her to model for you again soon? I am so enchanted by her beauty that I don't want to mastur-

bate to anyone else! I went online to research some of her work and I even ordered myself some of her movies to enjoy having myself to. But I would just love to see her spread in a spread, ha. C'mon you guys! Hook me up!—Shane in WV

Dear XXXTREME: The world just seems to keep getting crazier and crazier. I remember when it was highly unusual to see a woman with a tattoo unless she was a biker girl or from a really bad family, and now it seems like every broad walking past me in the street is all inked up. What passes as pornography these days is crazy, too. In fact, it blows my mind every time I pick up one of your magazines and flip through the pages. What is going on? These girls have all gone completely bonkers. They are all willing to do

such unspeakable acts in front of the camera that I am shocked and, on some occasions, a little bit sickened. And yet I cannot stop myself from eagerly awaiting each and every new issue of *XXXTREME*. I just can't tear myself away.

With each new depraved and degenerate bit of filth I am exposed to, the more I want to see and study. I am starting to quite enjoy pictures of girls with gaping holes, pussy holes, ass holes I love them all. I love it when I see photos of girls

stuffing their own underwear into their vaginal cavities. How utterly disgusting and yet it makes me horny as hell. What can I say? I am a changed man thanks to you, *XXXTREME*. What will you bring me next? —Rod in KY via email

really does give some fascinating insight into the murky minds in the industry. Sometimes I rub one out to some of the shit the girls say in the interviews as much as to pics of them naked or getting worked over. Some of the shit they say is really hot, no joke. —Ben in PA via email

Yo, *FOX XXXTREME*! Two words: FAYE REAGAN. FUCK YEAH! I want to bang that red headed slut sooooo fucking badly! I want to bite those puffy pink nipples of hers and make her squeal. GODDAMN. She is so hot she should be illegal. Redheaded girls really put a fire in my balls, and this one is like the queen of all redheads in my opinion. Thank god she likes to fuck for a living, I am glad to get to see her in action. Until I land myself my own red-haired queen, I will happily worship Faye Reagan. Thank you.—Bobby in WA

Dear XXXT: You and FOX are, by far, my very fave jackrag. I totally buy it for the articles, no joke. I can't get enough of the dirty tidbits revealed in all those awesome on-the-set articles. I love the Q&As with the talent and directors, it

Dear *FOX XXXTREME*: What's up? How do I get a job doing what you do? I'd love to make my living surrounded by freaky beautiful women. Do I need to go to a special school to learn something? Because I'll do it, I'm serious. Whatever it takes to get into the industry I'm willing to do it. I've already got a Ph.D. in pussy licking. I tell you, all my girlfriends tell me I munch box like a champ. But I don't even want to get into the performing side of things because I'm not like that. I want to do behind the scenes sorta stuff. Like picking models and helping out with shoots and such. I'm willing to start as an intern, I'm not proud. I can work my way up from the bottom. Just give me a chance.—Joe in PA

PORNSTAR BOOT CAMP

ZERO TOLERANCE

www.ztod.com

DIRECTOR: MIKE QUASAR

SLUTS: TORI LUX, FRANCESCA LE

27866

Quaint stories of personal involvement amid the impersonal sexual circus that is Pornoland warm the blackened cockles of FOX's heart. Zero Tolerance director Mike Quasar's trusty production manager Nate Liquor has apparently taken up with a recently acquired Spiegler Girl, the extremely nasty (in a good way) Tori Lux. And today, on the set of ZT's *Pornstar Boot Camp*, the rather sinister, heavily-tattooed Ms. Lux will be turned out by a dual AVN and XRCO Hall of Famer, porn legend Francesca Lé. Porn girls who got their start in the '90s and are still working have varying degrees of success at making do with the ravages of time in a realm where youth is valued *über alles*. Francesca is an exception, being a very appealing example of victory over the porno grim reaper. When ready to throw down, Francesca Lé is a supreme commander of erotic authority. Sometimes you need to take a few steps back...

TORI: I'm from a small town an hour north of L.A. I've been wanting to do porn for a long time and I just sort of slowly met people and started modeling. I totally like girls. I started at a really young age. I'm kind of a perv. Their hands are really soft and they're kind of mysterious. Their bodies are so soft and curvaceous, different than a man.

There are lines to be spoken and actual dramatic set-ups to be shot before the dirty parts, which makes putting together a fucking porno movie much more complicated. Before dialogue became an aspect of watching people fuck on celluloid, it used to all be so black dress socks easy. It's already been a long day and Quasar is complaining about losing the rapidly fading light. Apparently to ease tension, he has begun speaking in a genteel British accent. "Well, if you've read the book," he enunciates carefully, "you know that in Chapter 17 there's a carefree lesbian encounter that comes quite out of left field." Unsurprisingly, any structure to the Lux vs. Lé mix-up will be improvised.

The stress relieved, Quasar switches back to his normal voice: "Francesca, who I believe is the most sexually powerful woman in the entire history of porn and my personal favorite, is about to give lessons in lesbianism to a very young and impressionable Tori Lux," he says. "Nate's about to be cuckolded by Francesca Lé. I guess it's sort of an inverse cuckolding actually." What Lord Quasar means here is that the usual "cuckolder" in this situation would be male. But Francesca Lé is an extremely versatile sexual artist who can, and will, play all roles. She's already been there. The girls are all dressed up and ready to go. "Both of you look very sexy," croons Quasar. Nate has just finished shooting stills. Francesca turns to him and says, smiling, "Thank you for lending me your girl."

FRANCESCA: I think I can take a lot more in my ass than I can in my pussy. It stretches and expands more. I don't have long pussy lips either. They'll ask me to do a spread and, if there's lube on them, those suckers just flip down and, like, seal. I just can't spread it. If you watch that movie *Filthy and Violated* that I did with Annette Schwarz, she says, "Your pussy is so small, Francesca! You have such small pussy!" And I'm like, "Okay, I know! Stop saying it! Shut up!"

Pornstar Boot Camp is built around “drill instructor” Andy San Dimas, who in this case will be enlisting the domination skills of Francesca to teach Tori a few things.

“Okay there, little Missy,” a fatigues-clad San Dimas says Tori. “I bet you think you’re pretty fucking badass with all that ink you’re sporting, huh? Well I’m about to introduce you to badass. This is Hardcore Lesbianism 101. This right here? This bitch is Francesca Lé!”

A huge pitbull that has been peering through a century fence from the yard next door begins to bark. Quasar tries to make the best of it.

"Just keep going," he says. "There are dogs in life. Take Two. Action!"
Francesca appears. She shouts threateningly at Tori: "I'm going to fuck the shit out of you!"

"We call her the deal closer," San Dimas continues. "She's destroyed more bitches than fucking Charlie Sheen! She's going to teach you how to fuck a girl. Remember: NO FEAR!"

TORI: I like to get fucked really good and really dirty. Not a rape fantasy so much, but almost that. Just really dominant and come in and grab me and throw me down.

FRANCESCA: There will be none of that, young lady. This is Zero Tolerance!

FRANCESCA: When I got in the business I really liked to have sex. Then I got burned out and left for a while and didn't want to have any sex. Then I came back and met Mark [Wood] having crazy sex. Then we got married and Mark works all of the time. Then you hit your mid-thirties and you're horny. You know, I'm like a camel. If I don't have sex I don't really care, but the more sex I have the more I want. You probably hear that all of the time, but it's true. If you don't get any at all you can like take it or leave it. It's all working out well.

Tori is a dark, bad girl type who is well apprised of her own twisted sexual preferences.

"I'm really into rough sex," she says frankly. "Kinky stuff. I like choking and being choked and hair pulling and being slapped around. Yeah, I'm definitely a sub. I've just developed a keen taste for it over the years."

The scene starts and of course, she follows orders like a champ. The dog barking from next door intensifies in both frequency and volume.

"Shut up! DIE!" screams Quasar.

The dog gets even more pissed off, but Quasar gets what he needs in under thirty minutes. Both girls dive into the depths of dominance/subjugation easily and it's no problem. The air smells like victory. 🐱

MISSY

WOODS

PHOTOS &
INTERVIEW BY
JEFF HUBRIS

Missy: "I've been doing porn since July '09. It's getting on a year comin' up. When I came out here I didn't know that you weren't supposed to sleep with the director on a 'go-see.' I just thought that they were porn people. I was with a few girls and it turned into this orgy in an office. That was like one of my first days out here in L.A."

"I'm originally from Midland, Texas. Before I came out here I was engaged and my ex was an asshole, so I left and moved out. I was working on my master's degree. I went straight through from my bachelor's to my master's with a three-week break in between. I think that was probably not a good idea because I was starting to get kind of burned out a little bit because I'd always had to work full-time and go to school full-time."

"I'm bipolar and I've been clinically diagnosed as a sex addict. I was taking medication for being bipolar but it didn't affect the sex part. I got fired from a job for not showing up to work because I was at home masturbating and couldn't stop. I could never get it under control and I was actually talking to my therapist when I got the idea in my head to do porn and she said that it probably wasn't the worst thing I could do. We had tried so many things and none of them worked. Even if I didn't go out to the bar and pick up a guy then I just stayed at home and rubbed it out like six times in a row or whatever. When I can't orgasm anymore I get really pissed off and I'm all frustrated. That happens a lot."

"What makes you an addict is when it starts causing problems for you. I lost jobs because I was too busy masturbating or having sex. I was sleeping with random people without condoms who I had met two hours ago. I was just lucky that I didn't catch anything. I'm still pretty much the same. I have access to a big group of people who are tested so I kind of tend to stay in that group of porn people, because they understand that we just want to fuck each other, then they go away and I don't want to worry about them wanting to be with me."

"Sometimes I get lonely and I wish that I had somebody. I proved that I could be faithful with the only person I've never cheated on, my ex-fiance, if he gave it to me at least once a day. I'm good with once a day. It could have been more, but I was fine."

"Something somebody said the other day was so spot on. I think that I have a daddy complex. There was nothing wrong with my dad and we have a normal relationship but I'm always attracted to guys who are like twenty-plus years older than me. I go more for personality than for looks. Looks and physique aren't that important to me. It's more about if you are fun to be around and if you make me laugh and are interesting. If you're dumb? No. It's not going to happen. You have to have a brain and keep up with me and talk about politics and wine and actually read books. I read, like, a book a day. I'm really into the classics. I've read *War and Peace*, *Crime and Punishment* and *Anna Karenina*. I just finished a Stephen King book because I was having an easy-read moment, then I was reading Chuck Palahniuk, a book called *Lullaby*."

"I'm midway through my master's degree in Psychology. I'm getting in touch with all of my old professors and they all love me and they're going to write me letters. I really wanted to sleep with my favorite professor, but I had a moment of conscience. I knew he was married and I just didn't go there."

"I really love anal. I can actually cum easier from anal, especially if I rub my clit at the same time. I also love a lot of guys. I love DPs and I love gangbangs. There's no other way that you're going to get that sensation with cocks in both of your holes. It's not the same with, like, a cock and a toy. I'm into choking. I'm a sub. I was actually, like, a lifestyle sub for a little while. I was going to a lot of the fetish parties. Sometimes though it's just nice to fuck in a bed and not have to worry about anything else."

"I had a big reputation as a slut. The whole town knows me. I would go out to bars all of the time. I was like Norm from *Cheers*. They all knew what I drank and half of them had fucked me already. Most of my friends from high school and college found out what I do. Guys were masturbating and they would come across my stuff and then they would tell other people. My parents have known since the beginning."

"I just got a new job selling high-end cars at a Mercedes dealership, which is convenient since I own one. I get my sales license tomorrow and I start Monday. The bosses know what I do and I'm the only female employee. My boss came in the other day and said that he had finally gotten around to looking me up on the internet. I was like, OH, GOD! We'll be going on a test drive and that's not the only thing they're going to be riding."

"I still want to be in porn but I'm not going to have quite as many free days. Things have been slowing down with all of the free porn out there, so I think having a few other things going on is a good idea. That way I can really enjoy it when I do get to work." 🐱

Content is king. All porno is content. It just gets broken down into different delivery media, the most pervasive being the ever-present, all-consuming Internet, which has grown into a vast uncontrollable entity unto itself. The Internet giveth and it taketh away. Every porn girl needs a website all her own. It's essential. Phil Mack is the co-owner of O.C. Modeling, an up-and-coming porn agency from which fresh faced, very sweet Oregon girl Lily Carter springs forth. Mack is producing websites for all his girls. Today's two scenes are all about lilycarter.com.

The really cool thing for Mr. Mack is that he has positioned himself to play many roles to make it all happen. "I'm the executive producer," he says. "Also the producer AND the director!" In addition, Mack will also provide the meat weapon necessary for the human penetration of the porn girl in question. I think this is a fabulous development because, as an agent, it is necessary to fully understand the sexual nuances and erotic disposition of as many young ladies within the fold as possible. Aside from being able to oversee the entire interaction from the top down to insure quality control, there is the added aspect of being able to get your personal rocks off at the same time with a very attractive, willing volunteer from your current tribe. Truly, *nice work if you can get it*.

LILY CARTER

WWW.LILYCARTER.COM

DIRECTOR: PHIL MACK

SLUT AND PUPPETS:

LILY CARTER, RALPH LONG,

PHIL MACK 27867

LILY: Right now I live in Eugene, Oregon but originally I'm from a really small town. My high school graduation class was twenty students. I'm 22. I was raised really conservative but I broke the rules all of the time. My grandparents were really, really strict so I just found ways around it. I snuck out and did the kind of stuff any teenager would do. I got around the rules very well. I also lived in Portland and attended Portland Community College, but now I'm just doing it online. I have a daughter. I've been in porn only a couple months. It was very nerve-racking at first and it still is very nerve-racking for me. The cameras and having sex on camera is kind of weird. My first scene I was really fricking nervous. It was with Voodoo for Reality Kings. I was really nervous because he's a really attractive guy and then I saw his penis and I was like, *OH MY GOD! Are you serious that I have to put that inside me?!* But it went really well. I enjoyed it and it was a good scene. My boyfriend is like pretty big. He's bigger than average, but some of the porn dicks are like huge. I do like the bigger penises.

AVN-winning bangout artist Ralph Long is here to shoot camera and also provide an extra load here and there. A solo diddle session with a vibrator will precede the final fuck, which is scheduled to take place in either an office chair or on a desk.

"This first thing is just a solo masturbation scene," Mack says. "It's a young girl who is HORNY and just wants to masturbate."

Sounds excellent. Ralph will be shooting the video and provides the set-up.

"Call your girlfriend and explain that you're horny," he says to Lily. "She can't show up. You're frustrated. There's the Hitachi all plugged in ready to rock 'n' roll behind you. Just hang up the phone and you're like, *FUCK IT, I'm not going to let this day go to waste. Just pleasure yourself for like ten or eleven minutes.*"

LILY: I have a lot of fun on-set. I've always had a good sex life, always enjoyed sex. I've heard that a lot of girls don't even orgasm when they have sex. That would suck. What's the point of even having sex then? I orgasm like every time and I just don't cum once when I have sex. I cum like five times. I'm lucky. I think that it sort of even turns me on more on-camera because I know that someone's watching me. I like public sex. I used to do that in my personal life back in Oregon with my current boyfriend and my ex-boyfriend. It's more fun that way. I like girls a lot too. I actually messed around with girls before I ever messed around with guys. When I masturbate sometimes I think about them. I had sex with a girl when I was in high school. And with all my friends—we were always a little closer than normal.

LILY: I like doing DPs with my boyfriend with a toy. I haven't done it with two guys yet but I probably will eventually. My first time will probably be in porn because I don't see my boyfriend doing that. The first thing I ever used to masturbate with was my vibrating toothbrush. It sounds really weird but then I moved on to this electric shaver that had these different attachments. I had one that was just like a soft, flat surface. It's probably just as powerful as a wand. I always loved masturbating and I still love it. I probably masturbate every day if I don't have sex. I love the wand. It's probably the most powerful toy I've ever felt. It just feels amazing on my clit.

Lily likes to jerk off. Ralph shoots a short dialogue segment and then Lily applies the large vibrator to her panic button. What transpires over the next ten or so minutes looks absolutely authentic and truthful in a masturbatory sense. Not bad at all. After a cool down period it's time to move on to the fucking. She asks how long the scene will be. "Four hours!" blurts out Ralph. HAHAA. "Until I pop," Phil says. "That's pretty much it. And we're not going to pop on the face."

"I'm always the submissive one in every scene. Are you going to just bend me over most of the time?" Lily asks regarding the upcoming fuck interlude with her real-life agent.

Mack is in control. "Pretty much," he says immediately. "I'm going to bend you over or you can sit in the fucking chair and he's going to get hard and you do a little BJ. Be nasty, be sexual, be dominant and let it go where it shall. Pretty much you're going to be taking absolute control of the room. You have to dominate the scene. You have to be that dominant person and reach into your inner slut, your inner whore, your inner anything. Let it all out. Fucking BOOM right there."

LILY: I like it fast. I love really rough sex. That gets me off the fastest. Like, I can get off within a few minutes and then I can get off again and again if it's fast. If it's slow then I'll probably just get off one time. I like doggie. It just feels amazing. I am very subservient when it comes to sex. I like to be dominated. I've done seven boy/girl scenes and a few girl/girl scenes and a bunch of solos so far.

A photograph of a woman with long brown hair performing oral sex on a man wearing a yellow shirt. The man's penis is in the woman's mouth. The woman is looking down at the penis. The background is a plain white wall. There are some camera lenses visible in the foreground.

LILY: My parents don't know what I'm doing. They're very conservative. They would go crazy if they found out. Oh my gosh, I don't even want to picture it! It would be pretty bad. They just think I'm going to school and being a student. If they found out it would not be a good day in the life of Lily Carter. I have a twin brother and a younger sister who is moving in with me when I get back to Oregon. They know. I had to tell my brother because if he went online and saw me he would get kind of upset. I told my sister because I tell her everything. They're cool with it. They don't care. Pretty understanding actually. They know my parents are kind of crazy. My parents are actually my grandparents. They're not really up to date with the times so I don't really see them ever finding out.

Ralph shoots the bangout that ends up taking place in an office chair until Mack blows a load in Lily's mouth. Then she promptly turns around and does a POV BJ on Long. It's all over in a relatively short amount of time because it can be. This is a content shoot. There was also the interesting aspect of the agent/porn girl video fuck that worked out just fine. A porn career is an energizer bunny that you wind up and let go. Be nasty, be sexual, be dominant and let it go where it will. You just have to keep it all rolling. 🐰

Nothing is more tantalizing than watching a shy teen fucking and sucking her way through the real world. Check out the stories of their coming-of-age sexual escapades captured only in our exclusive award-winning HI REZ photo galleries & HI DEF video collection.

FUCK A FAN 13

IMMORAL PRODUCTIONS www.FuckaFan.com

DIRECTOR: PORNO DAN, JIM POWERS

SLUTS: SARA STONE, SINDEE

JENNINGS, AMY BROOKE 27868

Sara Stone is the possessor of a great natural rack. In Pornoland that's a valuable asset. Girls who view themselves as somehow inferior in a mammarial sense have climbed all over each other to procure relatively cheap, and entirely ridiculous, "enhancements" from some backroom experimenter working in a boiler room over in Encino. The "love doll balloon factor" should be avoided at all costs and, no matter what you are hearing, is falling out of favor within the current wave of porn aesthetic, which are of course by nature always of highly questionable regard in the first place. Just sayin'...

Sara has brought her magnifico rack and its accompanying human support system to Immoral Studios today to help celebrate the milestone of the fiftieth *Fuck A Fan* scene. Yep. fifty scenes down, fifty fans fucked (usually), the X-Factor being whether the fan has what it takes to get the job done. It's always a crap shoot until the moment of truth. Here we go again. This is exciting.

"We begged this girl!" screams Porno Dan into the live internet feed videocam. "We groveled and we pleaded and she is finally here! These are the greatest tits in the universe! They are truly wonderful!!!"

As usual, there are fluffers present to cure any lapse in sexual action that threatens the flow of perversion. "We have three more fluffers than any other company in porn has had all year," Dan continues. "It's unheard of!"

The very capable Immoral contract girl Amy Brooke and the energetic gonzo improvisationalist SinDee Jennings accompany Texas newbie Page Paxton on her maiden *Fuck A Fan* voyage. A chocolate cake is also present to commemorate the anniversary. The *Fuck A Fan* experience is a truly magical ceremony. Only the best!

Dan and Jim Powers decide that the three civilians vying for the right to bang out Sara must engage in a footrace around the perimeter of the Immoral Productions building. Doug, a welder just out of the military, makes short work of the others and everyone heads inside because it's SHOW TIME. Handjob Winner, a toner telemarketer, lasts only a few minutes before losing his load. "Sara you are something else," Porno Dan says. "And my toner pirate? You were nice and quick. We have a lot of free time now. We have FORTY MINUTES to kill!" Sara sure can take care of business. "I'm good at what I do!" she says while Dan goes into damage control mode. "You ARE good at what you do!" he shouts into the web-cam in a carny huckster's voice. "Thank god we have three girls here tonight to entertain us. Since she made him cum so fast maybe we can see SinDee Jennings' blowjob skills on our good friend Ralph Long!" The fluffers take over and attack Ralph. Powers and web cameraman RevSand follow the action until Dan can line up the Blowjob Winner scenario. Sara goes into the bathroom to wash her hands. After Ralph fucks SinDee, she and the other fluffers engage in a mindblowing and very wet Hitachi Wand jerkoff competition.

No one is surprised when the Blowjob Winner doesn't last very long either.

Jim Powers: What kind of advice would you give to other girls who want to give primo blowjobs?
Sara Stone: Well, you have to use a lot of spit. Don't use your teeth and use good hand motion.

Powers: We won the *FOX* Award for Best New Series! It's a huge award. ...We have two eighteen-year-olds here tonight, Dan. This is like a prom for degenerates! ...[To *Page Paxton*] Just blow everybody, hon. It always makes everybody happy.

Porno Dan to Sara: Here we are five years later and you've done less than 100 scenes. You're very selective. We did really trick you into coming here tonight. We have locked the doors and there is no escape. We cannot turn back now.

Powers: Are you married?

Sara: No. I like to do things out of my box.

Of course. I like that.

Would you accept a marriage proposal from this fine, young man if he offered you one?

I don't know. I don't even know his last name. I would have to write it out and my name out and see how well I can do it.

Sara: I'm born and raised in L.A. I used to work at the lovely In-N-Out Burger. I carry my In-N-Out bag around with me all of the time. It's been about five years in porn for me now. I left for about two years, a little bit of a hiatus. I just went back to In-N-Out to work again. Every time somebody orders from there I always give them tips on how to order. This is the first time I've ever done anything like this. But they're tested. And it's not like I know everybody that I sleep with anyway. My boobs are real and I love them. They come in very handy. I'm able to get things with them. Work actually, which is good. I like to start off with a lot of kissing. But if it's just straight having sex, then just drill me. Drill me like a screw on the wall.

It's on to the *Fuck A Fan* finale. Unlike his competitors, our military welder Doug is taking his good old time busting his nut. As the top of the broadcast hour rapidly approaches, he has still not completed his orgasmic assignment. The fragile timepiece of the crucial male sexual climax has not been correctly synchronized with the scene schedule. Porno Dan begins to fear the challenge of yet another episode of improvisational damage control.

But no worries, a load is finally delivered and all is well in Fuck Town. Again, accidentally on purpose.

Mission accomplished.

Dan: It's a miracle ending! We got the pop shot. I didn't think it was going to happen. Did you, Sara?

Sara: I had my doubts.

But you did it. The amazing Sara Stone got the pop shot! I knew he had it in him! He had that one touchdown pass left. Just like Johnny Unitas, Jim!

Powers: Just when things were at their bleakest, he pulled through!

Sir, how do you feel about being at the fiftieth *Fuck A Fan*?

Doug: I feel great! 🐱

LISA ANN & MR. MARCUS

From the ecstatic swell of her super funbags to the fuzzy pube patch adorning the outskirts of her muckhole, Lisa Ann is 100% woman and Mr. Marcus is on the scene to celebrate this fact by making her roar. He's got a tool custom designed for the task but Lisa's no neophyte nympho, nuh-uh. So he's gonna have to wield that sledgehammer with some skill if he wants to really smash up her box and make her cum. A full-fledged vage-pleasing veteran, Marcus starts things out right by indulging in a light munch before proceeding onto the main course of action. After seeing that her snatch is all steamed up, he pops in his fun gun and plugs away. After some vigorous pumping Lisa Ann squeezes off a round of Os, making it time for Mister to blow his load all over her hoo-has. Those meat loaves look just mah-valous all marinated in man milk.

JIM POWERS

THE WORLD'S MOST PROLIFIC PORNOGRAPHER

Three generations of San Fernando Valley DNA can produce a lot of things. *American Graffiti*. Cowboy movies. Even Captain Beefheart and the Magic Band's immortal mutant epic *Trout Mask Replica*. Mostly, it's given America porn, and given porn its purest and most productive architect of depravity, a man who eats, sleeps, breathes, sweats and pisses smut, and has nonstop for nearly twenty years.

Let us present Jim Powers, the blasting AC current behind Powersville, Inc. and the absurdist, punk-rocking auteur of such semen-stained blotches on middle class decorum as *American Bukkake*, *Mouth Meat* and *Girlvert*. A humorist in the great tradition, Powers is a classic all-American goofball who never got past adolescence. He's a tall, skinny, motor of mayhem who has probably witnessed more fucking than anyone alive. *XXXTREME* rang up the gangly legend to gather his reflections on a life less ordinary. "Love me or hate me," he says. "Just don't ignore me."

FOX: One of the movie databases credits you with 237 films. That seems like a grave underestimation.

Powers: I've probably shot more porn than anybody. I only keep track of the ones I produced, but—fuck it—for JM alone I have forty *Perverved Stories*, forty-something *Young & Anals*, forty-something *American Bukkakes*. I mean, you do the math. Forty *White Trash Whores*. Five hundred movies with JM alone. It's probably 3,000 movies. ...Not to mention all the black names I went by. Remember, I was "Nemo Nasty." I was "Cool Breeze G." I was "Sweet Daddy J." "Cool Breeze G" is probably 400-500 movies alone.

When did you start?

I started in the summer of 1990. I started as a distributor in Florida. I was a stockbroker on the East Coast. The firm went under. I had a friend who said, "Hey man, let's start a kickboxing video company." God, I wish I had stayed with that, right? This distributor

said, "Why don't you guys start a porno company? That's where the money is." We were going to distribute gay amateurs. So we bought up all these gay amateur titles. The guy was ripping us off. I just split. I took off with Buck Adams, who I met down there. He said, "Jim, you need to be making movies in L.A." So, Buck and me packed up, moved back to Los Angeles, and I made my first film. First shoot day was January 2, 1991. You always remember your first, right? It was a 35-millimeter film called *Speed Trap*, which we sold to VCA. I lost money. This is in the day when everything was separate, right. You had to buy titles separate. The developing of the film. All these things I knew nothing about. I'm having to buy all this stuff. I'm working at this one job and there's a guy there who finds out I shoot porno, the manager of this office, and he's a swinger. He's like, "Jim, can you get some girls over here?" And I film him fucking them.

pay off my lawyer. I got fired from my job because I wasn't concentrating. So I went full-time into porno in 1995.

That was the heyday, right?

This was right around the time when gonzo started taking off. A new wave of gonzo guys, with kind of a theme to it. It was all amateur or feature in the early '90s. We were starting to make these new kinds of movies that were all gangbang or anal. We started coming in hard around '93, '94. I got lumped into that. Who can make the most crazy gangbang. Me, Max Hardcore. There were all these total characters. The '90s were wonderful. I was shooting like a motherfucker. Clear into the 2000s. It all peaked out about four years ago.

Nobody does much insane stuff anymore, do they?

The later '90s was the craziest period. Where else are we going to take it? Everybody was trying to one-up each other. Extreme took it too far. I don't think it was the content. It was calling out the attorney general on national TV. You don't piss in the wind and you don't pull on Superman's cape.

Punk rock is a big part of your videos. How long have you been into it?

I'm still in an old punk band, Killroy. We played with NOFX last year. Fat Mike was supplying me with tons of

music for my pornos in the '90s, when I had those punk rock soundtracks. The very first movie, *The Hills Have Thighs*, he let me use some NOFX songs. I'm an old punk rocker. I do this because I cannot cope with a real job. I've always been anti-establishment. Even in porno, I've never been the most politically-correct porno person.

In all the porn documentaries, you're the guy they go to for the sideshow.

Lookit, how seriously can you fuckin' take yourself?! I shoot porno for a fucking living. Yeah, it's great. I'm convinced one day when you die you're going to have to watch everything you did in your life. And I want to be fucking entertained when I'm sitting up there eating popcorn and drinking beer and somebody's judging me. And I want to make so many fucking movies I can watch them for eternity. Unfortunately, I shot a lot of garbage. Mortgage payment shoots.

[Laughs.] I always tell people when we're about to shoot a sex scene, I go, *Lookit, you could die tomorrow. Let's make our last scene something fun. People don't give a*

In early 1992, you scored a gig shooting the *Beach Bum Amateurs* line for *After Midnight Video*—picking up after the departure of Christopher Roos (AKA Biff Malibu, AKA Chris Alexander of *Anabolic Video*.) Did you feel your destiny dawning?

I thought, *Fuck, I don't know to shoot camera!* "Jim, it's easy. You just pick it up and shoot it. It's amateurs!" *Where do I get the girls?* "Just ask them on the street!" So I took him seriously. David Lord was the first guy doing this with me. I thought I had to shoot them on the beach. So I'd shoot them on the beach and bring them back to Kevin Beachum. "Man, these are great. Go shoot some more." I said, *I don't want to. I lost money again. Every porno project I lost money. I don't have the money to keep on making porno.* He throws me \$200. "There, now you made money. Make me another one." So I go back and do it again and get arrested. Now I'm facing charges for conspiracy and pandering. So then I had to go out and start shooting, really shooting, to

fuck about you fucking some hot gorgeous stud on a bed. They'll remember you if, hey, aren't you the girl that was chased by the Smog Monster and then got butt fucked on that cold concrete? People remember funny things. That's how I always was.

You got an early start?

I grew up on porno. I loved porno. I was drawing my own little porno magazine when I was in sixth grade. I discovered punk rock and all this stuff on my own. Skateboarding. The day 11th grade ended, I was on a fuck-ing plane from New Mexico to California to be a punk-rocker and skateboarder and move in with my dad.

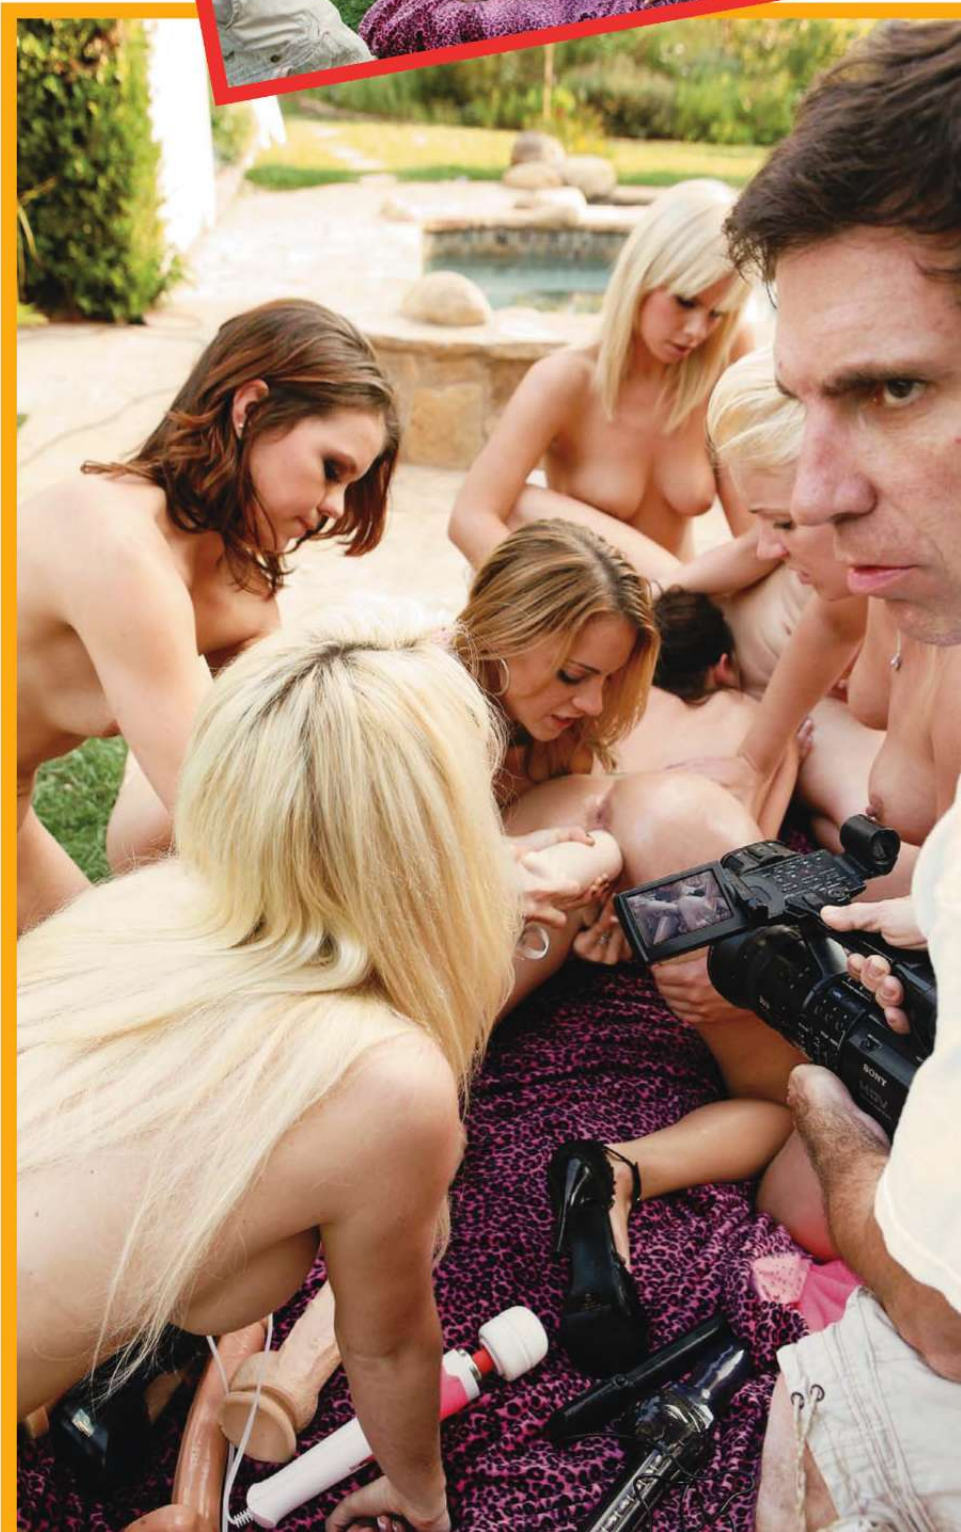

You don't seem much different than what I imagine you were like twenty years ago. It's hard to believe you still have the same enthusiasm.

I'm like the Ramones of porno. I truck in, year in year out. I've never had the mega-hit. I've never been the "It Guy." I really like doing it. I like the girls. The older you get, the more you like the girls. I love porno girls. They're all broken toys. I think what they do takes a lot. I see them for what they are. They're young girls out causing trouble. And they should be doing that stuff when you're young. You're not going to be able to later on in life.

So after shooting a bazillion scenes, you still wake up every morning ready to go?

I love it. I love being on a set. I never really know a girl until I've hired them and shot them. Honestly, here's one problem I have. I don't remember a girl's name until I've seen a cock go in her pussy. I don't. I don't remember 'em! I can meet a girl, but if I haven't shot her in a scenario I wrote in my head, I don't remember her. Can you name everybody you worked your first job with? It's the only way I've ever remembered anybody.

What sweet words do you whisper to talk a girl into doing a bukkake?

25549

You know the funniest thing about bukkake? Especially nowadays. We only book girls who really, really want to do it. For a porno girl, being cummed on is a compliment. It means they got the guy off. Girls like being cummed on. I don't care what they say. At first, I thought it was going to be really hard. It's not. Booking bukkakes is easy. The only problem you'll run into sometimes is they might not like the guys who are there. Let's face it, we don't have the best-looking guys. I am willing to concede the fact that they are not all male models. But it's not that hard to get girls to come down to a bukkake. They tend to like it. Every single time we overbook it, and I have to tell two girls we can't use them. I've had girls crying that they couldn't have it done. I'm not making that up. I've had to comfort them.

All your scenes have these comic set-ups.

How would you describe your approach?

I'm not a comedian. I shoot camp. To act serious in a ridiculous situation is camp. I'm not Mel Brooks. I'm not trying to hire Gene Wilder. I've been shooting this thing

called *Freak Fuckers* where we try to make it much more where they're trying to help the person. *Perverved Stories*, we would get really crazy. It was all over the place.

Which ones were the most insane?

My all-time favorite movie I've ever done was *Perverved Stories: The Movie*. If you've ever seen it, they die. Everybody dies in the movie. I always try things that never work out as well as I hoped. Like the Pterodactyl fucking the girl in the lobby scene. Nah, nothing's ever too far over the top. That's impossible. I don't want to see anyone ever get hurt, and I don't want a girl to leave my set feeling like she was used or degraded in any shape or form—that we're all in on the same thing. I never, ever want a girl to leave our set feeling bad about anything.

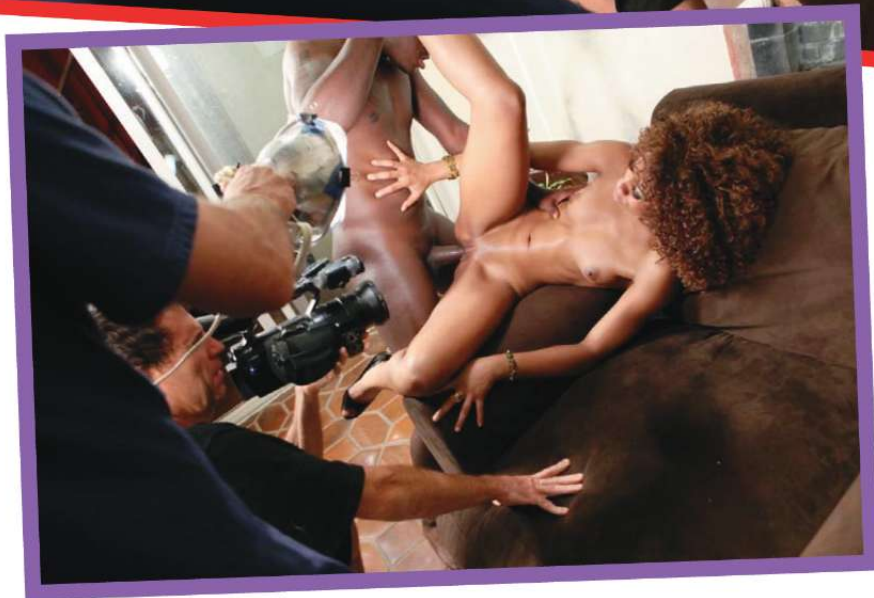

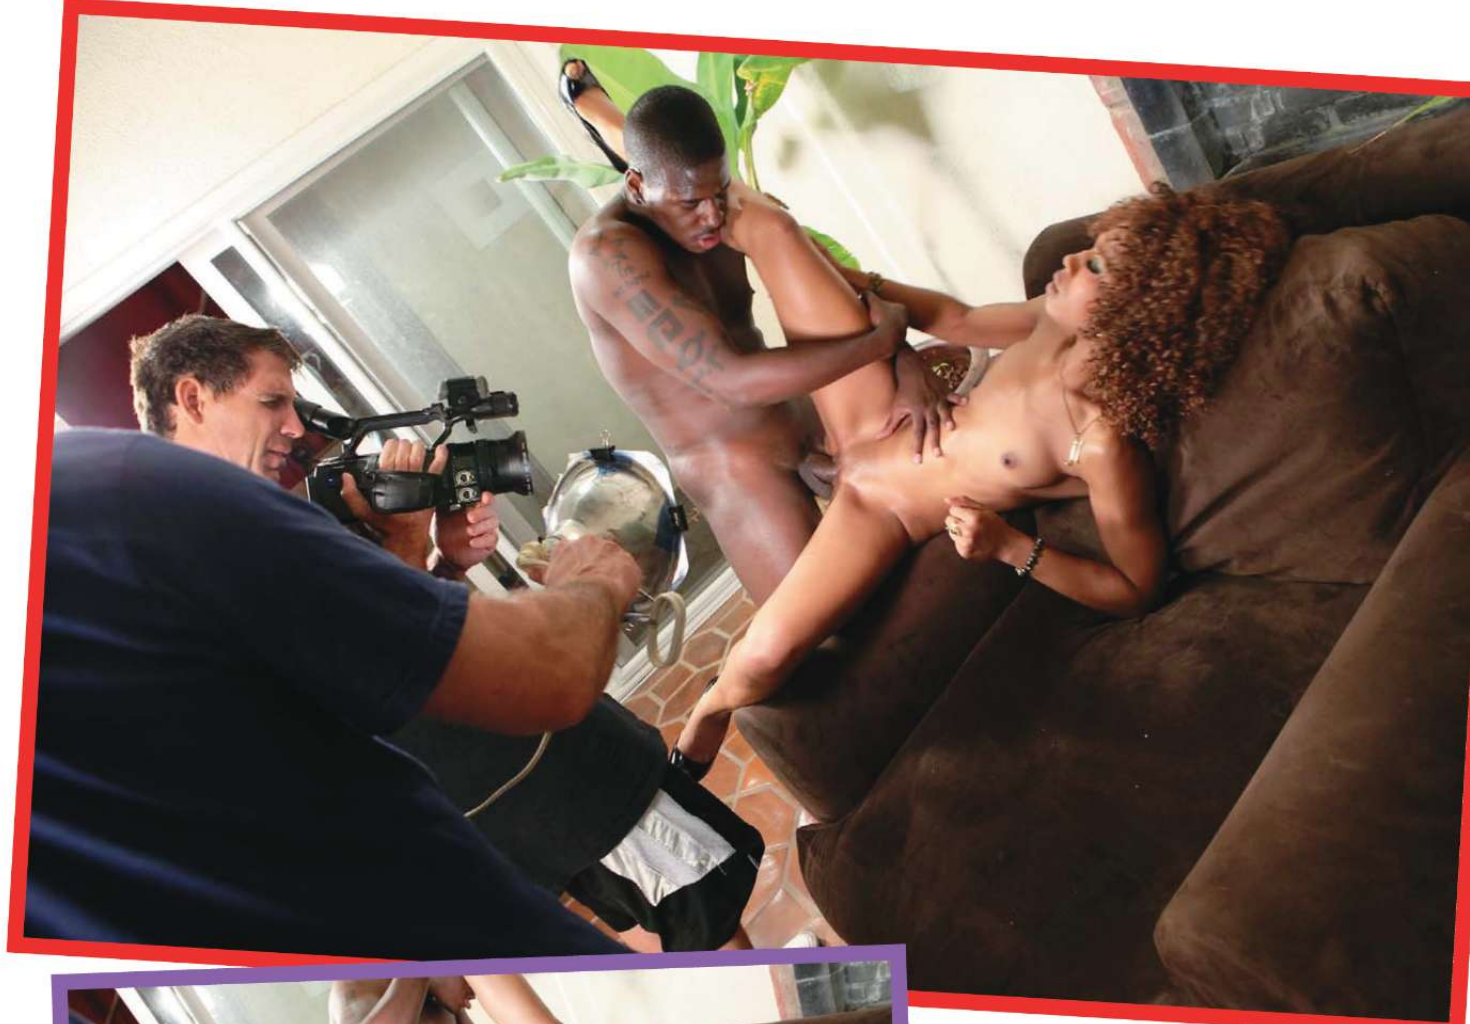

Well, there's the infamous Tanner Mayes lesbian bukkake meltdown.

That was just a BTS on the set. She's just flipping out over nothing. Everything that took place was in her own mind. I'm friends with Tanner now. It's obvious nothing we ever did. We tried to keep her calm. I'm sit-

ting there eating a sandwich, we're trying to find her phone for her. What the fuck?

How often does it happen you get someone completely out of her mind?

That happens no more than twenty to thirty times a year on me. Literally. But once again, it goes back to the territory. A lot of these girls who come in, they all have a problem. That's why they're doing this. Everybody has a fuckin' problem. C'mon, you get out of high school and if you don't come from a rich family, how are you going

to make a living these days? Think about it. And if you can make some extra money doing porno movies, and the taboo has been slowly lifted, year after year after year, as more people do it, why the fuck not? Getting back to girls and these breakdowns: They're young. They're doing drugs. Whatever demons are going on inside them, sometimes they get unleashed. You're dealing with wild girls. That's why people love having sex with them. Looks at these guys who date complete lunatics. Guys love fucking super-

psychotic young girls because they're such good fucks. It comes with the territory. It's like yelling because you got bit because you're an animal trainer.

Or a chef. By the way, how did you dream up the cum omelette?

That was [JM owner] Jeff Mike. He comes up with a lot of this stuff and I just run with it. I steal everything I do. Jeff Mike, for some reason, he's sitting having an omelette with his wife, and he goes, *You know what? Can they make this from cum?* We tried it, and goddamit, cum cooks just like eggs!

Did the girl puke it right up?

She started getting sick because Ashley Blue, who was the contract girl at the time, started getting sick from the smell of the cum omelette. And it made the other girl feel sick. Otherwise, she would have ate it no problem. Girls love eating cum. It's in their genes. Just like a fag.

Who are the best performers ever?

Off the top of my head, the greatest girls in the history of porno: A young Debi Diamond, Candy Apples... Jeez, that's such a loaded question! Briana Banks was great. Every year, there are girls that are really, really good. P.J. Sparxx. Sunset Thomas. I

27153

like Heather Starlet. I like... God, so many. Allysia Chaynes. Two girls, I have to say, Candy Apples and Debi Diamond. Two true, true pigs. They'd do anything.

Those are mostly girls from another era. What's different now?

Nowadays with the recession, the agents are all having them hook. There are agents out there who have websites, they hide behind somebody else. It's nothing but privates. They'll keep up their rates artificially. The market is what it is. For a girl to work every day, her rate would have to be \$500. But an agent will keep her rate at \$1,000 so she can only work three, four times a month. It's 100% different now. When I started in this business, there were porn stars. They showed up on set, they were used to getting scripts, acting. When they did privates, they didn't talk about it. When Sunset Thomas went up to the Bunny Ranch, and they started advertising "Come Fuck a Pornstar" and everybody started flocking up there, it let it out of the closet. They come into porno to get

a name for themselves to become a hooker. There's no respect for the girls like there used to be. You'd never call a girl a whore. Yeah, it's a term of endearment, but on a set...they're actresses. Yeah, they would do whatever, but they were actresses first. Nowadays, they're prostitutes first.

So far, we haven't seen you advertising on Craigslist. How are you staying afloat these days?

I've always been able to do things on a shoestring. Powersville has a low overhead. I'm making half the money I made four years ago. The Internet was a big boon for porno, and then porno destroyed itself and it became the destruction of porno, too. It became so readily available on the Internet. You didn't have 2,000 DVDs in your collection. Now, at your fingertips, you have 100,000 movies immediately available. It's almost like we're begin forced to make money off of professional perverts. You have to be very specific what you're after now. Everything has slowed down and now we're in a major recession. If you can barely pay for your kid's shoes and make the house payment, are you really going to buy a couple of DVDs or buy a membership on a site? You're getting it for free.

Meanwhile, mainstream Hollywood is pornier than ever. Let me ask you about some casting choices. If you had to pick a popular actress for *American Bukkake*, who would it be?

Cameron Diaz would be perfect for a bukkake. Actually, a gokkun—because she would swallow.

How about *Girlvert*?

That chick from *Twilight*. Whatever her name is. She'd be a great Girlvert. She's in the Runaways movie. She would be a perfect Girlvert.

JIM POWERS' AMERICA'S BEST PORN MUSIC VIDEOS

Powersville, Inc./JM

120 minutes.

Director: Jim Powers

SLUTS: Sasha Knox, Hillary Scott, Cheslie Rae, Emma Heart, Kaci Starr, Missy Monroe, Cindy Crawford, Christie Lee and Ashley Blue.

If you were a musician, you would think that having a pornographer so filthy he even calls himself Mr. Filth do a smutty spoof of your song for some cum-splattered runaway slut to sing would be insulting to your craft. Or worse yet, what if this scumbag lifted the idea for his video from your movie—the thing you sacrificed years of a life to make happen? You'd hate this dirty fucker Jim Powers, wouldn't you?

Well, that's what Powers thought when he heard from Craig Brewer, the director of *Black Snake Moan*. Brewer happened to check out "Black Snake Bone," a rendition of a blues number by white ho booty banger Devlin Weed, from one of Powers' barely disguised "homages" to popular film, and decided to let him know what he felt about it.

"I thought he was going to sue me," Powers says. "But he said he loved it." This saga of miscegenation, nymphoma-

nia, redemption and the blues (and Christina Ricci's boobs and nearly bare ass) inspired the flesh merchant to cook up his own variation, with Cindy Crawford writhing in demon-possessed sexual fever. It's one of the more outrageous clips on this twenty-three-scene collection, taken from various Powersville titles over the years. Powers' affection for punk-rock comes through on many of these tracks, which tap into the three-chord simplicity and '60s teen-pop melodies loved by the Ramones. "Powersville High," sung by Sasha Knox with a chorus that includes Ashley Blue and Kaci Starr, with Johnny Thrust on drums, says it all.

*Butt fuck me on my knees
Roll me over and make me scream
Slap my ass put me in my place
Shoot your load all over my face*

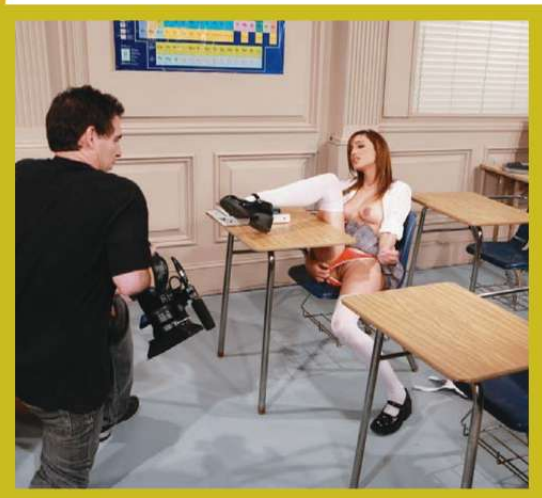

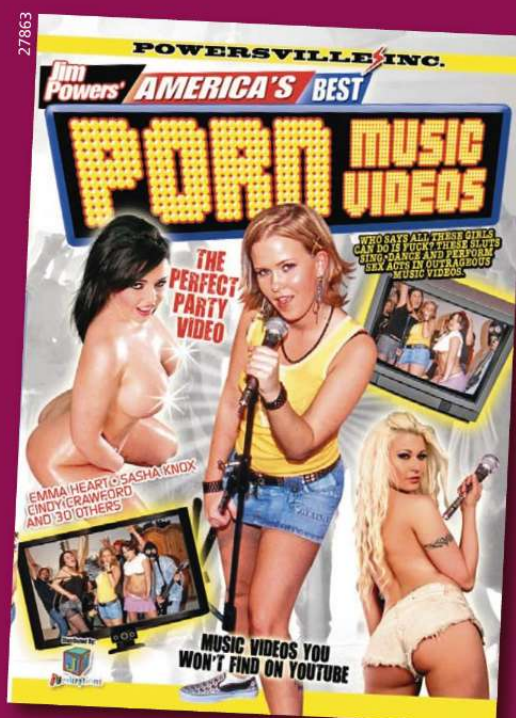

*I'm a schoolgirl who loves to fuck
I'll out your cock right up my butt*

Elsewhere, there's a busty Emma Heart doing her sleaziest Britney on "Oops! I Squirted Again," Juan Cuba fronting Los Ramones on "Big Ho," and Knox again, sashaying around downtown Los Angeles to a Bee Gees knockoff called "School Girl Slut."

The hits are nearly endless, with special appearances by Powers' own band, Killroy, and X-rated reinventions of public domain material like "The House of the Rising Sun" (which was about a whorehouse, after all.)

Some of the talent was taken aback by the challenge imposed by these performances. It's one thing to swallow the loads of twenty cocks at one sitting. It's quite another to use those pipes for a different purpose.

"When Jim called me into his studio for an after hours recording session I figured he was just going to pee in my mouth, which woulda been totally cool since he is so hot," Chelsie Rae says, looking back on the experience of recording "Tinkletime." "But, it turned out that he wanted me to sing for him. I've never felt so humiliated and completely degraded in my life."—Bat Canard

NIKA NOIRE

Nika is the kind of girl who really knows how to party. Whether in a room full of stiff stuntcocks or all alone with a toy, Nika takes control of the situation and sees that she has her fair share of fun. Today she so happens to be vibin' it solo and she's hell bent on drilling all her holes happy. She's got her fave phallus all revved up, fresh batteries installed to make it buzz. She handles that plastic prick the same as if it were the real deal, tucking it between her titties and dipping it deep down her throat. Next she nips her rosy bum hole in the bud with the tip before sinking it into the pit of her pink. She slides that shaft in and out and wriggles it wildly 'til she teeters on the verge of a climax, then does a reach around to rub her rump hole as she cums. **PHOTOGRAPHY BY STEVEN ANDRES**

CHEATING HOUSEWIVES #7

SMASH PICTURES www.smashpictures.com

DIRECTOR:

JIM POWERS

SLUTS: RAQUEL DEVINE,

MELLANIE MONROE 27870

MILF worship is finally cool. There's even a network TV show dedicated to MILFs and the dudes who want to fuck them. In porno there have always been younger guys banging older women, but there was no discernable lifestyle movement to back it all up. The sex had always been there, but the genre wasn't. Every cultural trend that has ever really caught on from the beginning of modern civilization had an adjoining youth movement to support it, or it withered. But now the tables have been turned. The tail is wagging the dog. Party-loving gals over thirty are having their way with our erotic culture. MILF banging is ART.

Never in the history of the world has there ever been a larger selection of hot, sexually demanding middle-aged women to choose from. Blame it on the so-called Baby Boom. These ladies are a swell in the population who grew up in the '60s, '70s and '80s, a time of sex, drugs and rock 'n' roll. Those straitlaced moms you see at the grocery store stocking up on breakfast cereal for junior and sissy were sucking off and banging Biff and/or Joey in the back seat of a Buick Century just a few short years ago. Don't be fooled. These women are fucking sluts in disguise who can party. They know their way around a ball sack. A beautiful, nearly accidental confluence has taken place. Hot, frustrated, bored middle-aged women: MEET PORNO! You'll really like it. Honest, the guys are hot!

Gentlemen, start your engines. It's time to fucking CASH IN! Libido is a strong motivator. In its pure form, an unrepressed, mature female sex drive is a nitro-fueled dragster of fuck energy that can quickly fly out of control. That's why we're in business. We're shameless exploiters who don't mind being used by ladies on the higher end of our age range who will treasure our leftover semen. *Your forty-four-year-old pussy works just fine, darlin'.* In fact it has a mellow, smoky quality like just like St. Louis barbecue, and there's plenty of room in there to accommodate my raging cock. Seen a few miles, eh? Awesome...

Smash's Stuart Wall has appointed the prolific and legendary Jim Powers to shoot the scenes for his latest epic, *Cheating Housewives 7*. Mr. Wall is an interesting gentleman who takes his porno very seriously.

"He's a throwback," says Powers. "He used to be in sales and everything so he kind of knows. He doesn't just want something stupid. Stuart really appreciates good porno, unlike a lot of the companies out there who just want garbage. Plus Stuart's a pervert too and he knows what he likes. I like working with a pervert like Stuart because I'm one too. We are an excellent combo."

Wall prides himself on choosing the porn ladies for his movies. He actually works at it, strangely enough. For today's two scenes he has selected Mellanie Monroe and Raquel Devine. Both are total sluts, in the best way possible, and entirely plausible in their roles as suburban housewives. Porn MILFdom now starts sometime in the mid-to-late twenties, depending on one's YADR (Youthful Appearance Disintegration Rate.) As we all know, some flowers fade faster than others. It's always a crap shoot, but it's way easier to acquire certified and practiced ladies whose physical and mental aspects have been somehow enhanced—rather than crucified—by time. Raquel is a former legal secretary who started doing private shows, eventually finding her way into porno and escorting. Texas native Mellanie Monroe began as a retail manager for a clothing line and started porno after being recruited as a set extra in Miami.

"This is like a MILF movie with little snippets of what is going on in suburbia," Powers explains. "They're married but they're all kinds of cheating and basically every woman's a whore. These particular scenes are intertwining two stories. Everything is going to be tied together by the girls getting together in the neighborhood and drinking by the pools. You have these kind of classic swinging couples but they're really not swingers."

Every suburban swinger setting requires the essentials of a pool and cocktails. Powers shoots a pretty decent Mellanie Monroe and Mark Anthony bangout in blazing sunlight on a futon next to the water, followed by a long dialogue section involving much cocktail holding and pool raft floating. Powers feeds the girls his improvised dialogue ideas. It's an effective process. MILFs don't like to waste time. They've done it for years. From here on out it's all business. Thank you.

Powers has the lights set up in a bedroom for the Raquel Devine scene. She's a veteran cock-inhaler and it shows. Jack Lawrence is soon pounding away in doggie but suddenly yells "FUCK!" while hastily pulling out. "Wow, I almost lost it," he says, breathless. "That pussy is just amazing! SHIT!"

Powers takes a break and tells Jack to take as much recovery time as necessary. Raquel smiles and waits silently. It's a compliment when an experienced swordsmen, who penetrates scores of pussies each week under varying circumstances, has a problem holding on inside yours. Cheeseballing too early is the death knell to a scene. Jack handles the situation, preserving the load before the point of no return. Later he delivers it onto her crotch, on schedule. To Raquel Devine, it's another day at the office. She's not surprised. Something special is going on down there. She owns it. She knows. 🐱

Jonni Darkko took home the 2010 AVN Award for "Best Ethnic Release: Asian" with his movie *Asian Fucking Nation 3*, which is a compliment considering the competition in this particular category. The fetishization of the Asian woman is universally familiar. So you think you're a fucking big macho package who makes the fucking rules? My money is on the Asian girl who can get your *cojones* in her pocket faster than just about any other ethnic group of women on the planet, and there is some great competition out there for sure. You think you're a tough guy? Yeah, right.

ASIAN FUCKING NATION 4

EVIL ANGEL VIDEO www.jonnidarkkoxxx.com

DIRECTOR:

JONNI DARKKO

SLUT AND PUPPET:

CARMINA KAI, JOHNNY SINS

CARMINA KAI: I'm 100% Vietnamese. I was born in a little city outside of Saigon. I'm twenty and I've been here seventeen years. I'm going to college. I'm studying Public Health and Latin American Studies. I would like to go into epidemiology and work in public health in foreign countries. To make money I used to wait tables and I did secretarial work. I've always been a fan of erotica. I watched my first porn when I was pretty young. Later, when I started watching it more vigorously, I was always too timid to try it out. A few months ago I put my résumé online and got contacted by these various agencies and I signed with Gold Star. It just took off from there.

JONNI DARKKO: The last movie was very good. I was very happy with every performance and I think I'm going to do some repeats. This one's going to be really loaded. We're going to go nuts. Six or seven scenes and it's going to have so much bonus. A jam-packed double disc deal. The whole new deal is the HD. This will be my second HD release. There are so many Asian girls around right now. You have to seize the day because some of them are just amazing.

For the first scene of *Asian Fucking Nation 4*, Darkko enlists the sexual talents of exotic erotic specimen Carmina Kai. The very quiet yet effective Johnny Sins is here to complete the penetration assignment. He is the type who gets the job done without feeling the need to brag about it beforehand. A real professional. Refreshing. Darkko is getting ready to shoot and decides to start the scene with both parties naked. Straight to the fucking. Carmina Kai has just stripped down.

"I just knew she was cute and I've just seen her pictures," Darkko says. "It's funny, because everyone plays her as this cute girl next door when she really just likes to be fucked. She's not dominant. She's completely and utterly submissive, so I want Johnny to just really run the scene."

DARKKO: [To Johnny Sins] When I say ACTION you'll put like two fingers in her pussy and I'll pull back. You start talking shit to her. Your new name, Johnny, is...you're DIGGIN' TUNNELS MAN! Johnny Sins: THE SHISHKABOB MASTER! You have that affect on people. You've skewered this girl so much she's like, *Blaaaaaa*! Let's do like one and a half more positions and we're done. I think, like, missionary, huh? What do you think?... OKAY!

Darkko is one of the greatest directors in the history of porno because he gives his movies an involved angle and look that is truly unique. In fact, he has actual fans to prove it. It's easy to find online message boards with titles like "Jonni Darkko appreciation thread." When fans take the time to actually follow a *director*, something different is afoot. That director is touching the soul of Perv Nation. He's **MAKING A DIFFERENCE!**

Remember the following rule for the future: Your chance of achieving success in any pursuit is magnified immensely by choosing an area of personal enthusiasm and/or obsession. To this end, Darkko has done his homework.

"I have a deep, deep Asian fetish," he says. "It's just something I really dig. It's natural that I'm into it. I'll tell you what, they just give a million percent. I think that there's not enough of it. It's either shitty American-Asian porn or unbelievable superfetish Japanese shit. It's like there's no happy ground. I want to make something that's a mixture of both with the quality of American girls with the deeper fetish stuff. Just keep it dirty."

CARMINA: My family is ultra-conservative. They don't know about my double life. I live in New Orleans and I just come out here for work. It's nice because you don't get all messed in with the dark side. I was always a very sexual person. I was definitely known as a slut back in high school. I probably don't see it as normal people do. I've always liked rough sex. More so even now. It's definitely a big turn-on. I've just become so desensitized to normal sex now. It's just too vanilla, you know? In normal life too. Most guys, especially around my age, don't really know how to fuck. I like it with someone who can give me a beating. Before I got into porn I had never been with a guy whose penis was larger than nine inches. When I started it took some getting used to, but once I did it was like, WOW! THIS IS AMAZING! I LOVE IT!

Darkko provides some direction to Johnny: "Here's what I'm thinking for the last one. It's her laying on her stomach with her ass in the air. I think the way to start it would be to have her laying on her tummy sucking dick and then you just come around."

To Carmina he says, "I'll give you a second to catch your breath. Then we're done. I want to be behind you and see the attention and the buildup. It's intense. You want to get fucked. He's going to be like teasing and teasing you. You're going to want his dick but he's not going to give it to you. Let's get to it!"

The tease leads to a blowjob and then a full blown fuckout on a white love-seat. Darkko wants to step it up: "I want you to grab his dick," he tells Carmina. "TENSION! TENSION! TENSION! Start talking dirty You're TALKING DIRTY. You're a little whore. LET'S GO!"

CARMINA: My pussy is pretty petite and tight. It always hurts a little going in, even with a smaller guy, but then I get really into it and it gets super, super wet. I have a vibrator. It's double-headed and has ten functions and I love it. I spent so much money on it. I use that a lot, like in the bathtub, but if I don't I'll use a detachable shower head. When I travel I'll use bidets. Otherwise, I'll just use my fingers to jerk off. I play with my clit a lot. In my personal life I recently started doing anal but I haven't done it in porn yet. I'm going to hold out for a while. I really don't need to right now. Before you know it they're going to ask for every single scene being anal with a big black guy. I've never been DP'd but it's a fantasy. Whenever I'm fantasizing about sex it's always a DP scenario. For cumming it's definitely more efficient for me in cowgirl. I'm in control and can control the depth of the penetration and if I want to grind some. It definitely helps me.

Carmina listens. The banging is intense and lasts long enough to cover a few unorthodox positions in addition to the normal gonzo *a la carte* menu. Darkko really gets the fuck angles and is all about the close-ups. Sins blows load on cue onto a kneeling Carmina's face.

"She's awesome!" Darkko says when it's over. "I want one! Amazing, darling. You're the fucking bomb!"

This was a no-bullshit penetration session. It's important to put your time and energy into an area of personal enthusiasm and/or obsession. That way you can never lose. This is fucking porn, motherfuckers. 🐱
